## Earth Day celebrated at beachfront 5 star hotel Cidade de Goa

Earth Day is an worldwide annual event, celebrated on April 22, on which day events worldwide are held to demonstrate support for environmental protection. It was first celebrated in 1970, and is now coordinated globally by the Earth Day Network, and celebrated in more than 192 countries each year.

Cidade de Goa the well known beachfront 5 star hotel in Goa,

celebrated Earth day by creating a Green Foot mural with all elements of nature, with the message 'leave a positive footprint' indicating the reduction of the carbon footprint that Earth Day aims to achieve.

The staff gifting the guests with potted plants saplings at the time of their check out from the resort, a one hour power shut was also observed at the Resort to show support to the Earth Day initiative.

Mr. Suraj Latker, Chief Engineer and Mr. RajaSekar, Executive Housekeeper, Cidade de Goa organised a interactive session for a group of students from the Sunshine Worldwide School, they were briefed about the various energy saving practices that the resort undertakes such as the harnessing of solar energy, recycling of waste, use of energy efficient lighting, at the end of the session Students left their thoughts about green initiatives and each students were gifted saplings, and were taken around the resort on a tour to demonstrating the various energy saving mechanisms used to save energy and environment practiced at Cidade de Goa. The students were also treated to a lunch at a Special Earth Day counter at the hotel's Laranja Restaurant, where a spread of delicacies made from locally sourced ingredients especially for the Earth Day. Thus the staff of Cidade de Goa as responsible citizen did their part in saving the environment in addition to conserving energy, by celebrating Earth Day by giving back to the environment and teaching the younger generation
